Professional Summary

Results-driven cybersecurity enthusiast with practical experience in setting up SOC environments, working with the ELK Stack, and analyzing network logs. Seeking a SOC Analyst or Cybersecurity Internship to apply SIEM knowledge, detect threats, and strengthen defensive security practices.

Core Skills

- **Cybersecurity:** SIEM (ELK Stack), Log Analysis, Threat Detection, Incident Response Basics, Vulnerability Assessment, Network Security
- **Networking:** TCP/IP, Subnetting, VLANs, ACLs, SSH, Firewalls
- **Tools:** Kibana, Nmap, Wireshark, Burp Suite (Beginner), Git
- **Programming:** Python, Bash (Beginner), HTML, CSS, React, Node.js
- **Operating Systems:** Linux, Windows, Basic Cloud Security (Vultr)
- **Soft Skills:** Leadership, Team Collaboration, Problem Solving

Professional Experience

Web Developer Intern — Uptoskills Oct 2024 – Jan 2025

- Led a team of 10+ members to develop and deploy a secure dynamic web application.
- Improved website SEO performance, increasing search rankings by 10%.
- Implemented authentication and input validation to enhance web security.

Python Developer Intern — Vault of Codes Sep 2024 – Oct 2024

- Built a To-Do List application using Python libraries and modules.
- Collaborated with team members to debug issues and enhance UI responsiveness.
- Followed secure coding practices and version control using Git.

Technical Projects

SOC Lab Setup and Threat Simulation (Vultr & ELK Stack)

- Created a cloud-based SOC using Elasticsearch, Logstash, and Kibana.
- Configured log pipelines, dashboards, and alert mechanisms for anomaly detection.
- Simulated brute-force and scanning attacks to test detection capabilities.

Campus Network Security Design (Cisco Packet Tracer)

- Designed a secure campus network using VLANs, ACLs, port security, and SSH.
- Applied password encryption, banners, and hardened switch configurations.
- Tested connectivity and enforced security policies across devices.

Education

Bachelor of Computer Applications (BCA)

Indira Gandhi National Open University, Delhi

2023 – 2026

Certifications & Interests

- Diploma in Information Technology
- Interests: Security Operations, Blue Teaming, Cloud Security, Threat Intelligence, Log Analysis, Network Defense
